Re: Claim number 000000000-EXAMPLE
2009 Ford Escape XLT, date of loss June 11, 2016

Dear Claims Adjuster,

I am writing to ask for a review of the valuation of my vehicle, a 2009 Ford Escape XLT. The valuation report dated June 16, 2016 arrives at an adjusted vehicle value of $8,244.00. I have gone through the report and ask you to look at the following.

These points come from the figures printed in the report:

1.	The VIN on the report is not a valid VIN	
2.	Every comparable was marked down $619 for condition	$619.00
3.	Comparable 3 was priced $743 below its sticker	$61.92
4.	Comparable 9 was priced $1,100 below its sticker	$91.67

These comparable vehicles differ from mine. Each amount is how much the average of the comparables rises without that vehicle; the amounts are not added together:

5.	Comparable 3 is a different trim (Limited)	$45.86
6.	Comparable 7 is a 2010, not a 2009; is a different trim (Limited)	$88.58
7.	Comparable 8 is a 2010, not a 2009; has a different configuration	$28.31
8.	Comparable 9 is a 2010, not a 2009; is a different trim (Limited); has 33,853 more miles than my vehicle	$132.40
9.	Comparable 10 is a 2010, not a 2009; has a different configuration	$2.58
10.	Comparable 11 is a 2010, not a 2009; has a different configuration	$96.58

Counting nothing twice, the points taken from the report itself add up to $772.59.

I ask that you either send me a revised valuation that takes these points into account, or send me the documents that support each of them as the report has it. Please reply in writing.

Thank you for your time and attention.

Sincerely,

Vehicle Owner
